

Booking conditions

Registration:

To register at our school you can directly fill the form on our website (see the link, registration form) or you can contact us by email or phone.

For the full packages during the week end, we advise people to book early as we are usually booked very fast particularly during the holiday times. Otherwise you may wait for a few weeks to find some empty places in the school.

We ask for a 50 euro deposit for a session or a day booked and 100 euro for the full package. You can send it by cheque (7 days before starting your course) at:

Pure Magic Kitesurfing
326 Clontarf road
Dublin 3

Or you also have the possibility to drop it directly at our shop.

Cancellation by you:

If you cancel more than 7 opening days before the lesson date, the lesson will be transformed in a 50 or 100 Euros credit available on the shop.

This credit can only be applied on new items, no sales, no discounted prices, no special offer or no other commercial offer. It is valid during 6 months.

In case of late cancellation in less than 7 opening days before the date, the whole amount will be lost. If we find another student to replace the cancellation, you will receive the above 100 Euros credit.

In any case, we will try to find the best possible arrangement for both parties.

Cancellation by Pure Magic:

Pure Magic integrates the risk of bad wind conditions to give a maximum of satisfaction to his customers. In this case we postpone the lesson to another day according to your and our schedules if there is not enough or sometimes too much wind. Only the instructor can decide whether the conditions allow or not to run a proper lesson. You can take the lesson(s) during the next 6 months. And if you were not available to take the lesson(s) in the following 12 months, we propose a 100 euro credit in the shop. . It is valid during the calendar year.
